SRK 125 R FEATURES

125 4V LIQUID COOLED ENGINE

Equipped with QJMOTOR's own 125cc, 11kW / 15 Bhp liquid-cooled engine that has four valves per cylinder and Bosch electronic fuel injection to deliver the maximum performance output for the Learner legal A1 Licence category.

FULL LED LIGHTING

The headlights, indicators and tail lights are all fully equipped with LED technology ensuring optimal visibility in all circumstances

EASY TO READ LCD DASHBOARD

The easy to read 4" LCD dashboard offers a wealth of useful information such as speed, trip meters, gear indicator and rev counter. Next to the screen, the USB port with a waterproof cover allows charging of devices, adding practicality to the equipment.

ADJUSTABLE MONO-SHOCK

The mono-shock rear suspension offers preload adjustment to ensure optimal ride comfort and stable handling

PRECISE, SPORTY HANDLING

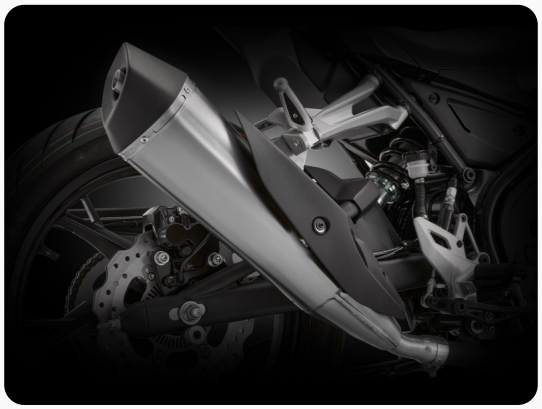
The SRK 125R's tubular steel frame combines low weight with high rigidity, offering a robust feel and sporty character. The 35mm USD front forks ensures precision and excellent cornering feel, while the adjustable rear mono-shock suspension provides comfort and stability. The combination of frame and suspension and sporty CST tyres ensures ideal handling and top performance.

POWERFUL BRAKING WITH DUAL CHANNEL ABS

The advanced braking system with ABS on the front and rear wheels ensures precise and powerful braking, offering high levels of safety. The specially designed wavy brake discs reduce un-sprung weight and improve heat dissipation, enhancing their performance.

SPORTS EXHAUST

The upswept stainless steel sports silencer ensures excellent sound, top performance and a dynamic appearance.



MINIMALIST DESIGN & AGGRESSIVE APPEARANCE

The design of the SRK 125R stands out for its minimalist rear end, which combines harmoniously with the pillion seat and tear drop shaped bodywork, creating a dynamic and aggressive aesthetic.

LARGE ERGONOMIC FUEL TANK

The SRK 125R features a 12.5-litre fuel tank that ensures long range and infrequent fuel stops. Despite its size, the design remains aggressive, while its sculpted ergonomics offer comfort and a natural riding position.
